

You are invited to a TNTrade Program Briefing

Is your company interested in expanding business internationally or further developing your exports into China and South Korea?

TNTrade is a statewide initiative created by the State of Tennessee Office of Economic and Community Development to help small- and mid-sized companies expand into new markets.

Deadlines are fast approaching to be eligible for a trade mission to China and South Korea this April. As organizations with interest in the economic development of West Tennessee, we want to ensure that you have all the information you need to take advantage of this great opportunity.
